RE: Information Sharing with the Local Authority

Dear Parents/Carers,

As part of our assessment and tracking system in Nursery, we will share individual children's information with the Local Authority. The information consists of name, date of birth, gender, NHS number and a summary of their development in all 17 aspects of learning. The Local Authority will use this data for analysis and to support raising attainment in our Nursery. This data **will not** be shared with any outside agencies.

If you have any concerns or questions please contact our Assistant Headteacher, Mrs Prytherch, who is responsible for Early Years and Key Stage One.

Many thanks for your support and co-operation.

Yours sincerely,

Mr S. Colothan
