Dear Parents/Carers,

As a member of St Wilfrid's Christian Ethos Group, I would just like to say a massive thank you to everyone who contributed donations for 'The Brick'. As Daniel from the Brick said, "Because of your support, we are able to offer our clients real practical help."

We would just like to let you know how much it meant to us to receive all the donations of cans, biscuits, soup and many other items of food. Daniel, who came to collect the food, had to go back and get a van! So once again, thank you for going to the effort of sparing some food to give to this worthwhile charity. This event was extremely important to us and makes us all grateful for what we have.

I'd like to tell you some more about 'The Brick'. This Charity gives support to those who are currently in difficult times. In 2008, they opened their doors and began to welcome people in difficult situations and basically give them hope. Daniel told us "We help people who feel they're in a dark tunnel trying to find their way out."

Thank you again for your support in helping us to make a difference in the lives of others who are less fortunate than ourselves.

Yours sincerely,

Katy
