Friday 10<sup>th</sup> March 2017

Dear Parents/Carers

I am excited to inform you that we will be launching our new school website in the next few days. The new website will replace our current website and there will be no change of website address.

Our new website, in conjunction with 'School Spider – The Ultimate Web Builder for the Education Industry', will provide a simple and easy to use communication tool which is easy to navigate and delivers up-to-date content to parents, teachers and the general public. The new website incorporates a wide range of features including a News Section, Gallery, Calendar, Mobile Phone App, Pupil Area and Parent Area.

We will be launching the Pupil and Parent Area later in the year. Parents/carers will be issued with their own usernames and passwords enabling everyone to complete online forms and surveys, digital permission slips and to book appointments for Parent's Evenings online.

To download the free app search iTunes (iPhone) or the Google Play Store (android) for School Spider. Full functionality of the app will become available once parental log ons are issued.

I hope that you will find the new website helpful.

Yours sincerely

Mr S Colothan  
Headteacher
