Monday 11th September 2017

Dear Parent/Carer,

The Life Education mobile classroom will be at St. Wilfrid's Church of England Primary Academy from Monday 11th September to Monday 18th September and all classes will access one workshop during the visit. Life Education (www.coramlifeeducation.org.uk) is a National Health Promotion project providing a unique, age appropriate health promotion programme that teaches children about the wonder of their bodies, how to take care of them, making positive choices and how to be safe around medicines (all Key Stages) and Nicotine/Alcohol/drugs (KS2 only). The specially equipped classroom provides an unforgettable experience for the children, which assists our school with health and wellbeing education.

The support from parents and carers plays an important part in the success of health education and we would like to invite you to visit the Centre. The visit will enable you to find out more about what your child will be doing, to view the many resources used and ask any questions you may have.

A special session for parents and carers will be held on Friday 15th September from 2.45pm to 3.15pm for Key Stage 1 parents/carers **and** Monday 18th September from 2.45pm to 3.15pm for Key Stage 2 parents/carers.

Parents and carers of Reception children are invited to attend the session on Monday 18th September, due to the Reception Welcome Meeting also taking place on Friday 15th September.

If you are able to attend either session please complete the reply slip below and return to school as soon as possible prior to the session. Thank you for your support.

Yours sincerely,

Mr. S. Colothan, Headteacher
