RE: Year 2 Transport Through the Ages Workshop

Dear Parents and Carers,

As part of the Year 2 National Curriculum for History topic 'Events beyond Living Memory,' the children are learning about the history of transport.

To enrich the children's learning, we have invited 'Divergent Drama' to visit Year 2 on **Wednesday 27th March**, to run their '**Transport Through the Ages**' workshop'. This workshop is a 'hands-on, very interactive and educational journey through the world's transport and travel inventions,' and we are delighted that they are coming to work with our children.

Children will take a trip through the ages, from Roman chariots and Viking Long ships, to Steam Engines, Cars and Planes, and will meet and step into the shoes of famous inventors like the Wright Brothers, Henry Ford and George Stephenson!

We are asking for a contribution of **£5.50** to cover the cost of the educational workshop. Please use your Parent Pay account to pay the workshop contribution as soon as possible. We ask that **all payments are made by Friday 22nd March** to ensure we are in a financial position to cover all costs.

With any events requesting voluntary contributions, if sufficient donations are not received, we may not be in a financial position to subsidise the event and it may have to be cancelled.

If your child is eligible for the Pupil Premium Grant and you wish to use this funding towards paying for the educational visitor, please email the school office.

Thank You,

Mrs E. Prentki and the Year 2 Team

Deputy Headteacher
