Re: Year 4 Electricity Workshops

Dear Parents and Carers,

An electricity workshop has been booked to visit school, to work with the children in Year 4. The workshop will be delivered by Sheila Carroll (a science specialist), who will deliver a full day workshop to each Year 4 class. The workshop will be educational and fun and there will be lots of opportunities for the children to take part in 'hands on' activities.

- Electricity Workshop for 4Be- Thursday 29th February 2024.
- Electricity Workshop for 4CP- Friday 1st March 2024.
- Electricity Workshop for 4Bu- Thursday 7th March 2024.

We kindly ask for a contribution of **£7.50** to cover the cost of this workshop.

Please pay via your Parent Pay account by **Wednesday 14th February 2024**.

If sufficient donations for the workshop are not received, the booking will be unable to go ahead.

If your child is eligible for the Pupil Premium Grant and you wish to use this funding towards paying for this enrichment opportunity, please email the school office.

Thank you in anticipation of your support.
