Thursday 28th February 2019

Dear Parents/Carers,

If you haven't already done so, please ensure that you have booked an appointment for Parents' Evening on Thursday 7th March 6.00 – 8.00pm or Tuesday 12th March 3.30 – 5.30pm via the School Spider app. Please contact the school office if you are unable to book in this way.

Following on from the successful launch of bookings for Parents' Evenings using our School Spider app, we will shortly be launching our School Spider communication platform for parents. This will allow you to receive important information directly from the school quickly and easily.

You should now have your individual logins which allow access to the Parent section of our website/app. If you have not provided us with an email address for you, please contact the school as soon as possible to do this.

You can download the app for free from Google Play or Apple App Store by searching School Spider. Once you have installed the app and logged in you will be able to receive messages from the school. A pop-up notification will appear on the app whenever there is a new message.

Please note, you **MUST** leave the app logged in on your phone in order for it to notify you of any messages.

We will continue to develop our app to further enhance communications between school and home. Please ensure that you advise us if your email or mobile phone number change.

Many thanks for your continued support.

Yours sincerely,

Mr S Colothan
Headteacher

Learning Together Trust

Executive Headteacher: Mrs Janet Kneale
