Updated November 2021

'I can do all things through Christ who strengthens me.'

Phillippians 4:13

Our Christian Vision

'I can do all things through Christ who strengthens me.' Philippians 4:13

1. Our **children** will be rooted in strong faith and academic foundations to thrive and succeed, knowing that Jesus is with them, every step of their journey.
2. Our **staff** will have the highest expectations and aspirations for our children, knowing that together, we can achieve anything through Christ.
3. Our **school** will be a place where children can grow in strength, to be unique and flourish in the presence of God.

Our Mission Statement

We will ensure that our children **achieve** exceptionally well.

We will nurture our children to **believe** in themselves and each other.

We will create a culture of love, **care** and respect for one another.

At St. Wilfrid's, we can do all things through Christ who gives us strength.

Our Aims

1. To provide a distinctly Christian ethos, underpinned by our Christian Values and Scripture, where children can grow spiritually and become reflective decision-makers.
2. To provide a 'literacy-rich' curriculum of the highest quality, that engages and challenges all children in our school community.
3. To provide an environment that excites and stimulates learning, fosters personal growth and responds to the individual needs of all children.
4. To provide a rich and broad education, with enrichment and extra-curricular opportunities, and unique experiences, that prepare our children socially and mentally for their future.

Our Christian Values

Our Christian Values, which are rooted in scripture, are threaded through our school, our decision making and everything that we do.

Love is at the heart of our Christian Values and all members of our school community aim to 'live out' our Christian Values in our actions and choices.

Rationale

St Wilfrid's Church of England Primary Academy is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to various Education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education.

Each year the school will examine its attendance figures and set attendance targets. These will reflect both national and Wigan attendance figures.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). Only the Executive Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unexplained, if the absence is still unexplained after a 2-week period, this will be changed to unauthorised.

Lateness

The classroom doors open at **8.45am** and the class teacher is responsible for manually documenting the morning registration, which closes at **9.00am**

Due to the prevalence of COVID-19 with the school community, building work and access, we are currently implementing a staggered start and finish, with doors opening at 8.30am for children in Reception, Year 2, Year 4 and Year 6, and 8.45am for children in Nursery, Year 1, Year 3 and Year 5. Registration closes at 8.45am for children Reception, Year 2, Year 4 and Year 6, and 9.00am for children in Nursery, Year 1, Year 3 and Year 5.

If a child is absent, the class teacher will leave the register blank and the appropriate authorised absence code will be entered by the administration officer.

Pupils arriving after the close of registration **must** report to the admin block. Pupils arriving before **9.30am** (*9.15am for Reception, Year 2, Year 4 and Year 6 during the staggered start*) will be treated, for statistical purposes, as present, but will be coded as Late (before registers close).

Pupils arriving late after **9.30am** (*9.15am for Reception, Year 2, Year 4 and Year 6 during the staggered start*) will be marked as U (after registration closes), unauthorised absence.

Pupils arriving from a medical appointment will be given a 'medical mark'. A medical mark is an authorised absence but does affect the pupils' overall attendance percentage.

The afternoon registration will be at **1.00pm** (*12.45pm for Reception, Year 2, Year 4 and Year 6 during the staggered start and finish*) and will close five minutes later, **1.05pm** (*12.50pm for Reception, Year 2, Year 4 and Year 6 during the staggered start and finish*). The class teacher is responsible for manually recording the correct mark.

Continuous lateness is monitored by the Executive Headteacher and Learning Mentor, during each half term. A letter (Appendix 1a) will be sent to all parents and carers, whose child has a high number of late sessions (five or more), during a half term. If lateness improves, no further action will be taken. If the number of late sessions continues, and parents and carers have not been in contact with school, the Executive Headteacher and Learning Mentor will request a meeting with parents and carers to establish the reason for lateness, and to offer support.

First Day Absence

Parents and carers should keep children at home if they are acutely unwell. School should be notified, either in person, by telephone or by email, as soon as practical, on the first day of absence.

Parents/carers are required to notify school on the fourth day, if the child is still unwell.

If the school has not been informed of a child's absence on the first day of absence, a telephone call to the child's parents/carers will be made by the administration officer before 10.30 am, to ensure they are absent with their permission, and to establish the reason for absence.

The telephone call will only be made once further clarification has been sought from the appropriate class teacher. This is to ensure that a child arriving after registration has not slipped into class without first reporting to the admin block. The class teachers will ask late comers if they have reported to the admin block, and if not, arrange for the administration officer to be informed.

If there is no answer on either parent's contact numbers, a message will be left for them by the administration officer, stating why they are calling and asking them to contact the school as soon as possible.

If the child does not attend school the following day, and parents/carers have not contacted school, the administration officer will contact **all** of the named contacts for the child and send an email requesting an urgent telephone conversation.

For safeguarding reasons, if the child does not attend school on the third day of the absence and parents/carers have not contacted school, a home visit will be arranged. If, after a home visit, no reason for the absence has been established, school may request a police welfare check.

If, after five school days, the child does not attend school and there has been no communication with parents/carers, school will complete and submit a 'Child Missing in Education' Form.

Persistent Absence (defined in legislation as 10% or more absences; either authorised or unauthorised)

A child who is persistently absent is at risk of failing to achieve their full potential within the school environment. Any pupil with attendance below 90% will be closely monitored and appropriate interventions will be implemented to raise attendance above the Persistent Absence threshold.

This initially will include parents/carers receiving a **'white letter'** (Appendix 1b), stating their child's attendance figure (below 90%) for up to that half term and an attendance certificate will be enclosed.

The attendance of children with attendance below 90% will be carefully monitored throughout the following half term.

If attendance improves and the cumulative attendance is above 90% at the end of the following term, parents/carers will receive a **'green letter'** (Appendix 1c).

If attendance improves, but the cumulative attendance remains below 90% at the end of the following term, parents/carers will receive a **'yellow letter'** (Appendix 1d).

If attendance does not improve and remains below 90%, parents/carers will receive a **'red letter'** (Appendix 1e), and will be contacted by school to discuss how they can be supported to improve their child's attendance.

Frequent Absence

It is the responsibility of the relevant school attendance staff to be aware of and bring attention to any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem with parents and carers. If this is unsuccessful, school may open an Early Help, which parents/carers will be invited to attend, and attendance targets set and reviewed.

If attendance remains a concern, school will contact Startwell, who may offer family support.

Where attendance and punctuality are a concern, absences will only be authorised with proof of any illness or appointments requiring time away from school.

Routine Monitoring of Attendance

The Executive Headteacher and Learning Mentor meet at the end of every half term to undertake an analysis of whole school attendance. The Learning Mentor supports families across school, where attendance has been identified as a concern.

Welcome Back

It is important that on return from an absence, that all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Absence Notes/Emails

Notes and emails received from parents explaining absence will be kept for the remainder of the academic year. If there are attendance concerns about a specific pupil, then the notes will need to be retained for a longer period in case they are required further investigation.

Medical Appointments

Parents/carers may request to take children out of school for medical appointments. Routine appointments such as GP, dentist and optician appointments should be made out outside of school hours, where possible.

Promoting Attendance

The Home School Agreement explains that parents/carers **'Make sure that my child has excellent attendance, is punctual and is appropriately equipped'**.

Holidays in Term Time

Term time holidays and extended leave are not allowed and will not be authorised as stated in the Education (Pupil Registration) (England) (Amendment) Regulations 2013.

The school will only grant leave of absence in exceptional circumstances that are not related to holidays.

Parents/carers must complete a **'Leave of Absence in Term Time Request Form'** (Appendix 2), which is on the school website, to the Executive Headteacher in good time (at least 6 weeks before a planned absence) to request permission to take their child out of school during term time. The 6-week time period is necessary in order for the school to give due consideration to the request.

If the request is denied, school will inform the parent/carer of the reason by letter (Appendix 3). If the parent/carer chooses to continue with the planned absence, it will be recorded as an **unauthorised absence** and could result in a penalty notice.

In the rare circumstances when the Executive Headteacher is satisfied that there are genuine reasons for an absence, they will determine the number of days a child can be away from school and the leave will be granted as **authorised** (Appendix 4).

Penalty Notices

Wigan LA are informed of unauthorised absences by school and will take appropriate action, which may include issuing Fixed Penalty Notices to parents/carers or court action. Parents/carers are informed of the criteria for Education Penalty Notices at the beginning of each school year (Appendix 5).

Section 23 of the Anti-Social Behaviour Act 2003 empowers designated LA officers, Headteachers and the Police to issue penalty notices in cases of unauthorised absences from school. The Education

(Penalty Notices) (England) Regulations 2004 came in to force on 27 February 2004) and were amended in the Education (Penalty Notices) (England) (Amendment) Regulations 2013.

A Penalty Notice may be issued if a child falls within one or more of these categories within a 12-week period:

- 10 sessions (5 days) of unauthorised absence with under 90% attendance
- 20 sessions (10 days) of unauthorised absence
- persistently arrives late for school after the close of registration

Attendance Awards

Attendance awards are given for 100% attendance each term and children receive a reward (book voucher) for 100% attendance during the full academic year.

Categorisation of Absence

Any pupil who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence
2. Authorised Absence
3. Approved Educational Activity

1. Unauthorised absence

This is for those pupils where no reason has been provided, or whose absence is deemed to be without valid reason. Unauthorised absences affect attendance figures.

2. Authorised absence

This is for those pupils who are away from school for a reason that is deemed to be valid under the Education Act 1996. Authorised absences also affect attendance figures.

3. Approved Educational Activity

This covers types of supervised educational activity undertaken off site but with the approval of the school.

Note Pupils recorded in this category are deemed to be present for attendance returns purposes.

This would include:

- Work experience placements;
- Field trips and educational visits;
- Sporting activities;
- Link courses or approved education off site;
- Most types of dual registration.

Registers by law must be kept for at least 3 years.

The school will use paper registers and a computerised system for keeping the school attendance records.

Entries in paper registers must be in ink.

Register Security

The registers are kept securely in designated boxes in the administration block (Beech building) over night.

Each morning specified Year 6 children are asked to collect the registers before the registration period and to take them to the appropriate classrooms ready for morning registration. Registers are left in a designated place ready for the return of the registers.

After morning registration, the teachers ask pupils to take the register to a specified place, ready for collection and return to the Beech building. Once received in the Beech building, the administration officers collate dinner numbers and update/amend the manual registers in line with absence information recently received.

Before the afternoon registration period, Year 6 pupils re-distribute the registers to the appropriate classrooms for manual completion. Once completed, pupils are chosen by the teachers to return them to the appropriate place.

After the afternoon registration period, the registers are brought back up to the Beech building for the input of attendance data onto the computerised system, and for safe keeping.

The Law

The Education Act 1996 Part 1, Section 7 states:

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

Appendix 2 - Leave of Absence in Term Time Request Form

Date

Dear Parents/Carers,

Re: Leave of Absence Requests

As I am sure you appreciate, regular school attendance is essential if your child is to maximise their educational opportunities. Interruptions in school attendance not only disrupts your child's education, it makes it harder to catch up on work missed, and it can also affect their social life within school.

It is the school's responsibility to provide the best education possible. We can only do this if your child attends regularly.

From September 2013 amendments to the 2006 School Attendance Regulations make it clear that Headteachers may not grant any requests for holidays in term time.

Additionally

- All requests for leave in term time must be in writing on the Leave of Absence Request Form (see reverse).
- Any granting of leave does not set a precedent for similar future requests and the frequency/duration of such leave periods will be considered as factors in any decisions.
- Requests will be considered by the Executive Headteacher.
- Any approved leave must be subject to a contract/agreement between parents and the school stating what leave has been granted and the pupil's date of return to school.
- School will not provide work for children for unauthorised absences.
- If a request for a Leave of Absence during term time is unauthorised, you may receive a fixed penalty notice.

Yours sincerely

Executive Headteacher

Date

Dear (insert name of Parents/Carers),

From September 2013 amendments to the 2006 School Attendance Regulations make it clear that Headteachers may not grant any requests for holidays in term time.

Unfortunately, I am **unable** to grant your request for (insert child's name) to be absent from school during term-time on/from (insert dates requested) as it does not meet the agreed criteria.

I assure you that I have made this decision with the best interests of your child in mind and, I therefore, will not authorise this absence.

The importance of school attendance is such that leave of this kind will only be granted where the circumstances are exceptional. This is in line with Local Authority's Policy on absence during term-time.

Wigan LA are informed of unauthorised absences from school if your child falls into one or more of the following categories within a 12-week period:

- 10 sessions (5 days) of unauthorised absence with under 90% attendance
- 20 sessions (10 days) of unauthorised absence
- persistently arrives late for school after the close of registration

Wigan LA may take appropriate action, which could include issuing Fixed Penalty Notices or Court Action.

It is essential that your child attends school regularly to benefit fully from their education.

Yours sincerely

Appendix 5 - Information letter regarding Education Penalty Notices

Date

Dear Parents/Carers,

Education Penalty Notice Warning for Non-School attendance

Under the Education Act 1996, parents and carers have a duty to make sure their children regularly attend school. If parents or carers fail to do this, they can be prosecuted.

Working within a Code of Conduct the Local Authority can issue a penalty notice to parents or carers if a child has missed a number of sessions without permission from the school.

If your child falls within one or more of these categories within a 12-week period

- 10 sessions (5 days) of unauthorised absence with under 90% attendance
- 20 sessions (10 days) of unauthorised absence
- persistently arrives late for school after the close of registration

You could receive a Penalty Notice of £60 which will increase to £120 if not paid within 21 days. The Penalty Notice will need to be paid in full before 28 days of the notice being served. Failure to pay a penalty notice may result in prosecution (a separate penalty notice may be issued to each parent for each child). In law, an offence is committed if a parent fails to secure a child's regular attendance at school. Wigan Council Attendance Service, in conjunction with schools, will use these powers as an early deterrent to prevent patterns of unauthorised absence developing.

You may also receive a Penalty Notice for the offence of failing to secure regular school attendance under the following circumstances:

- Your child is stopped on a truancy sweep
- You fail to ensure that your child is not in a public place during the first 5 days of a fixed term or permanent exclusion.

The Local Authority and schools are committed to providing the best possible future for your child. If you have concerns about your child's attendance at school or if you are experiencing any difficulties please contact Mrs. Saggerson, Learning Mentor, and ask for support.

Yours sincerely,

Mr. S. Colothan
Executive Headteacher
