Re: Standish Leisure Centre

Dear Parents/Carers,

As many of you will know, Standish Leisure Centre will open its doors to the public this weekend and we have already established an excellent partnership between school and the centre.

We look forward to using the facilities, including a 3G pitch, multi-purpose court and indoor studio for PE lessons, after school clubs and sports fixtures. We are working with Inspiring Healthy Lifestyles to ensure that children can access the centre safely, both within the curriculum and after school. This will include a footpath between school and the centre, which will be accessible later in the year.

The car park, which has over 100 spaces, will be available for parents to use for **drop off and pick up times only** from Monday 3rd February. I would encourage you to consider using this car park as an alternative to the roads around school. This would provide greater safety for children during these busy times of day.

Thank you for your continued support.

Yours sincerely,

Mr. S. Colothan
