Dear Parents/Carers,

Many of you are now using the Standish Leisure Centre car park as an alternative to the roads around school during **drop off and pick up times**, which is providing greater safety for children during these busy times of day.

I have been asked to advise you that when parking on Standish Leisure Centre, the car park has directional arrows in place to instruct customers of a one-way traffic flow. As you turn onto the car park and turn immediately left this becomes a one-way flow to the bottom, then back up the hill one-way past the all-weather pitch. This system will make the car park safer for all.

Many thanks for your support.

Yours sincerely,

Mr. S. Colothan
