

How to talk to your children about coronavirus (COVID-19) https://www.unicef.org.au/blog/news-and-insights/march-2020/how-to-talk-to-your-children-about-coronavirus?dm_i=4W2U,BAIH,1FSZDK,18L55,1

The story of the Corna King : A British writer and teacher has published an illustrated e-book that it will help young children, in Britain and other countries, understand the chaos surrounding the spread of the Coronavirus (Covid-19) This YouTube clip of an American reading the story (you can put it on mute and read it yourself – there are a few text copy typing errors) <https://www.youtube.com/watch?v=UTF2BIYB22Y>

Social stories/stories with visuals for Primary age children

A Carol Gray social story about corona virus at <https://carolgraysocialstories.com/wp-content/uploads/2020/03/Pandemics-and-the-Coronavirus.pdf?fbclid=IwAR23zxNlbEumpw4oKIM7Xy3VIKnA25b8Gi53N6YiFleKB9Vx0LQypSPYzzg>

WHAT'S UP WITH THIS CORONAVIRUS ?

The coronavirus is a germ. It's so small that we can't see it.

MWAH HA HA!
I'm invisible!

When kids get this virus, most of the time it's no big deal. But adults and especially older people can get really sick.

The Coronavirus travels from person to person if they touch or come close together. It can spread to many people very fast.

There's a new home for you, my child!

To slow down the virus and to keep it from making too many people sick, many schools are now closed and people are asked to stay home as much as possible.

People who are sick are asked to stay at home alone to keep the virus from spreading to new people.

It's ok, Grandma, we'll talk on the phone instead!

It's hard not to be together but it makes it even harder for the virus to spread to new people.

Oh, shoot.

Even when we don't feel sick, we can help slow down the virus by washing our hands often, coughing into our arms and avoiding crowds.

When we slow down the virus, we give scientists and hospitals more time to find a cure and to take care of sick people.

If everyone makes an effort, we can protect each other and save many lives!
