Summer Term 2022 Term Newsletter

We are looking forward to an enjoyable Summer term.

Year 3 Team: Miss Beckwith, Mrs. Waterworth, Mrs. Hope, Miss Finch, Miss Walls, Mrs. Conradie, Mrs. Salisbury and Mrs. Smethurst

Our Curriculum: (Curriculum Overviews can be accessed on the school website)

Mathematics: Our focus in mathematics teaching is to ensure that pupils become increasingly fluent with whole numbers and the four operations including number facts and the concept of place value. Year 3 Summer topics will include number, place value and money, mental addition and subtraction, shape, measures, time, data, fractions, multiplication and division. Children will focus on problem solving and finding patterns between topics.

English: This term children will be creating a diary recount, kenning poems and setting descriptions based on our focus text 'The Secrets of a Sun King' by Emma Carroll. We want to develop their love of literature through widespread reading for enjoyment. Children will continue to develop and apply their growing knowledge of spelling, handwriting and grammar.

Religious Education: Children will have the opportunity to consider the value and purpose of rules. They will reflect upon the rules that exist in their own lives and consider the rules followed by other faiths and the ways in which the rules influence behaviour and decisions.

Science: Children will be exploring the theme of light and shadows, the Ancient Egyptian beliefs about night and day and how our world has evolved since.

Computing: This term we are looking at online safety in our computer lessons with Mr. Jones.

Topic: History: This term's topic we will be looking at Ancient Egypt. During this topic we will explore and study the Egyptian civilisation and its achievements.

Music: Our Music lessons for this term will be linked to our History topic- 'The Ancient Egyptians.' We will be focusing on singing skills and the children will also be learning about how staff notations are used.

Home Learning: All home learning is now set via Purple Mash. Please make sure that your child checks 2email in Purple Mash for information about home learning.

Spellings: Children will be given a spelling list every Monday and will be tested the following Monday.

Reading: In order to be competent readers, children need to read regularly at home and school. Parents/Carers are asked to encourage their children to read regularly and to read for pleasure.

We ask parents/carers to sign and date reading records every time you hear your child read (we expect a minimum of **four** entries/comments a week). This is an ideal opportunity to question your child on their understanding of the text, to improve their comprehension skills and vocabulary. Reading records must be brought into school on your child's allocated day, for teachers to monitor.

Children will have the opportunity to change their reading book and library book once a week on an allocated library afternoon.

Year 3 library afternoon is **Monday** - Please ensure that your child brings their reading book and library book on this day if they wish to change it.

All children will have the opportunity to read a variety of high-quality texts in class, including 'Reading for Pleasure' books, and 'Related Reads', which are linked to their focus theme.

Please also visit our website to view our 'Reading Round-Up', 'Author of the Month', 'Reading Challenges', 'Reading Wall of Fame', 'Reading Rabbits' and 'Patron of Reading'.
