

St. Wilfrid's CE Primary Academy Curriculum Overview 2020-2021

Geography

Year	Autumn Term	Spring Term	Summer Term
All Year Groups:	<i>Children are taught about the World, the UK and our locality, extending their knowledge and understanding to include Europe, North and South America over time. Through the Geography Curriculum, children develop locational and place knowledge, develop vocabulary and characteristics of human and physical features, and develop geographical skills, and are given opportunities for fieldwork.</i>
