The values and principles are as follows:

- to encourage each child to express their own feelings, creativity, ideas and imagination, accessing a wide range of activities and working in different teams.
- to promote the spiritual, moral, cultural, social, mental and physical development of children and to prepare them for the opportunities, responsibilities and experiences of life in a multi-cultural, multi-faith and diverse society.
- to help the children acquire and develop a range of skills and concepts with the ability to use these in all areas, supporting their development as independent learners.
- to develop a sympathetic understanding and knowledge of the Christian faith, its beliefs and practices, where pupils are challenged and encouraged to grow into thoughtful and caring individuals.
