

The Rabbit Reading Report

Kipling's recommended read...

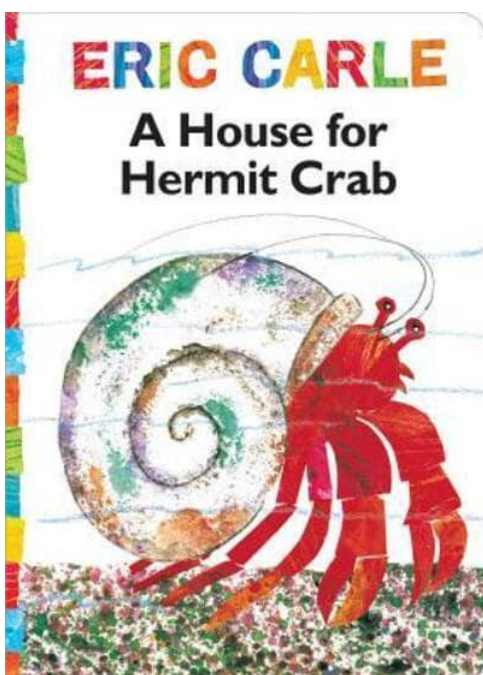

A small caterpillar emerges from an egg and begins eating everything in sight. Finally, it is no longer hungry and no longer small. The big, fat caterpillar builds a cocoon around himself and finally emerges as a beautiful butterfly.

Rabbit Update:

We can't believe how much Kipling and Murphy have grown in the last couple of months! They have had a lovely, big run built for them in the garden, where they can run around all day and enjoy the summer sunshine! Plenty more rabbit adventures to be had...

Murphy's recommended read...

A hermit crab who has outgrown his old shell moves into a new one, which he decorates and enhances with the various sea creatures he meets in his travels.
