

# The Rabbit Reading Report

Kipling's recommended read...

A small caterpillar emerges from an egg and begins eating everything in sight. Finally, it is no longer hungry and no longer small. The big, fat caterpillar builds a cocoon around himself and finally emerges as a beautiful butterfly.

## Rabbit Update:

We can't believe how much Kipling and Murphy have grown in the last couple of months! They have had a lovely, big run built for them in the garden, where they can run around all day and enjoy the summer sunshine! Plenty more rabbit adventures to be had...

Murphy's recommended read...

This is the story of how a tiny seed travels from its parent plant and blows across seas, deserts and mountains, braving many hazards along the way, before finally finding a place to settle and grow into a beautiful flower so that the story can start again.
