Dear Friends,

Thank you very much for your donation – a big round of appaws for you! Your kind donation of £87.76 is really appreciated!

You have directly helped our four legged friends! Here are a few facts to give you an idea of things that your donations help us to fund:

- 🐕 Last year we cared for over 15,000 dogs across our network of 20 Rehoming Centres.
- 🐕 It can cost up to £35 per day to look after a dog in our centre
- 🐕 We also run lots of other projects which help dogs in need all over the UK. You can find out more about these projects from our website www.dogstrust.org.uk

It is thanks to top dog FUNdraisers like you that we can run these projects and make sure that more dogs will get a second chance in life, with owners who really know how to look after them and make them happy!

Our Education Officers deliver fun, curriculum-linked workshops surrounding our key themes of 'Responsible Dog Ownership' and 'Safety Around Dogs' in schools across the country. You can find out more about our completely FREE education programme on our dedicated website; www.learnwithdogstrust.org.uk. It would be fantastic to visit the school to thank you in person and to teach the children a bit more about the work we do here.

Kind regards

Joanna Robertson
Education Assistant
